

# Functions and Relations

Name: \_\_\_\_\_

Date: \_\_\_\_\_

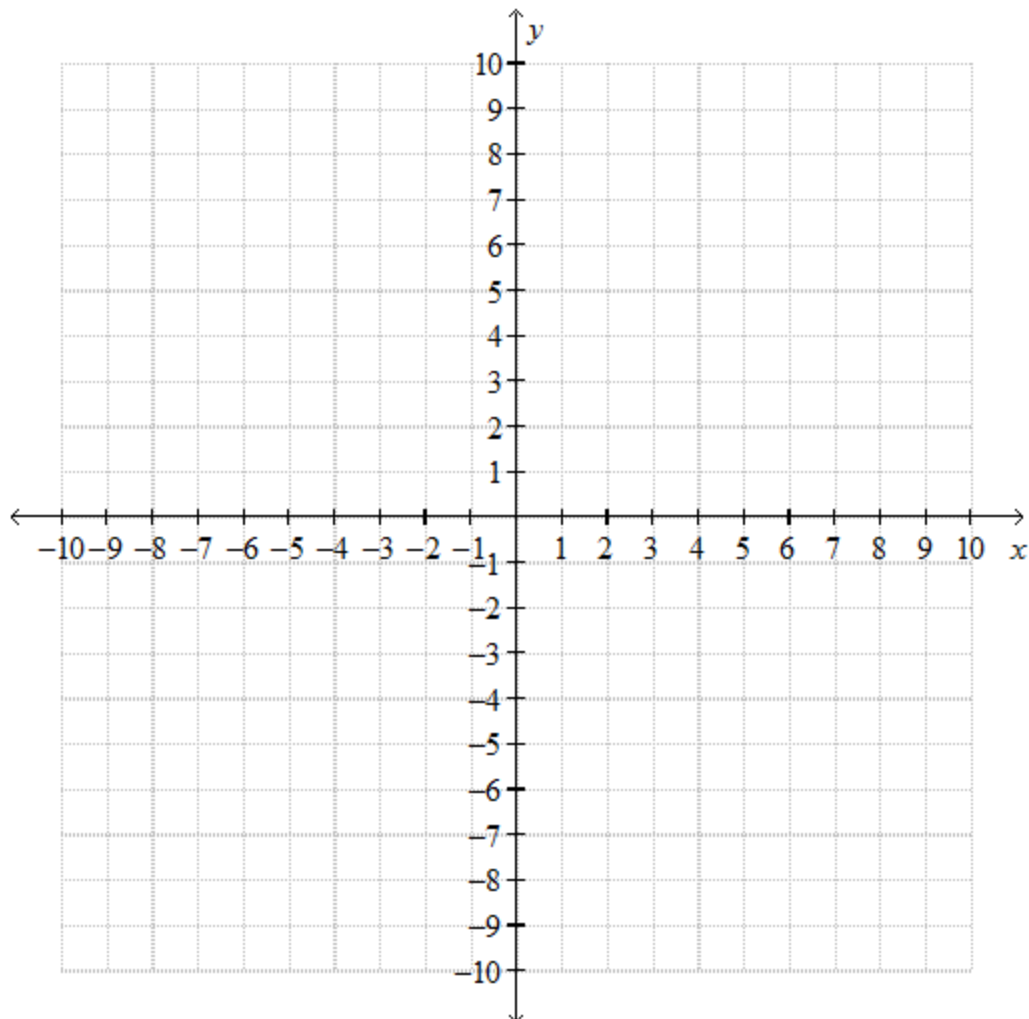

The Function: \_\_\_\_\_

	The Base Equation	A Transformed Equation
Does this graph have a highest point? If so, what is it?		
Does this graph have a lowest point? If so, what is it?		
Does this graph have a furthest point to the left? If so, what is it?		
Does this graph have a furthest point to the right? If so, what is it?		
Describe the shape of this graph		

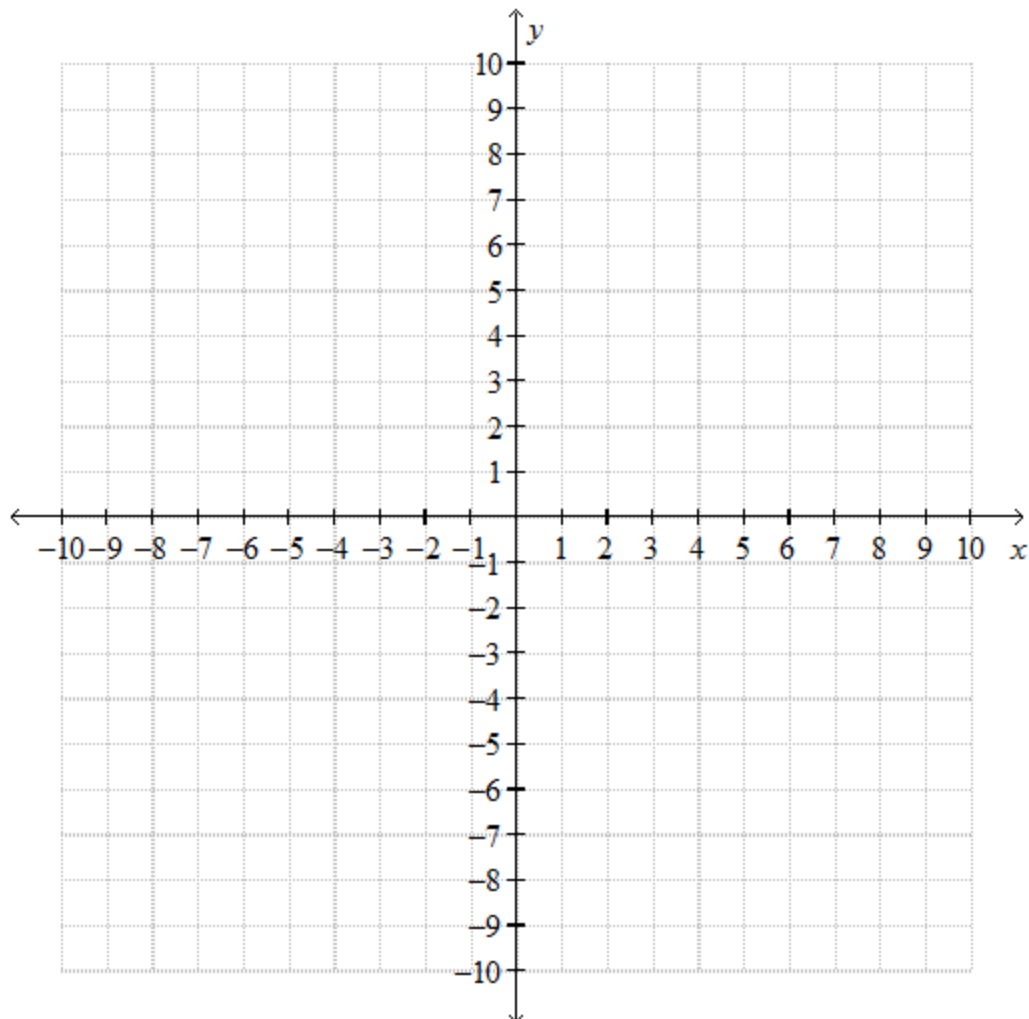

The Function: \_\_\_\_\_

	The Base Equation	A Transformed Equation
Does this graph have a highest point? If so, what is it?		
Does this graph have a lowest point? If so, what is it?		
Does this graph have a furthest point to the left? If so, what is it?		
Does this graph have a furthest point to the right? If so, what is it?		
Describe the shape of this graph		

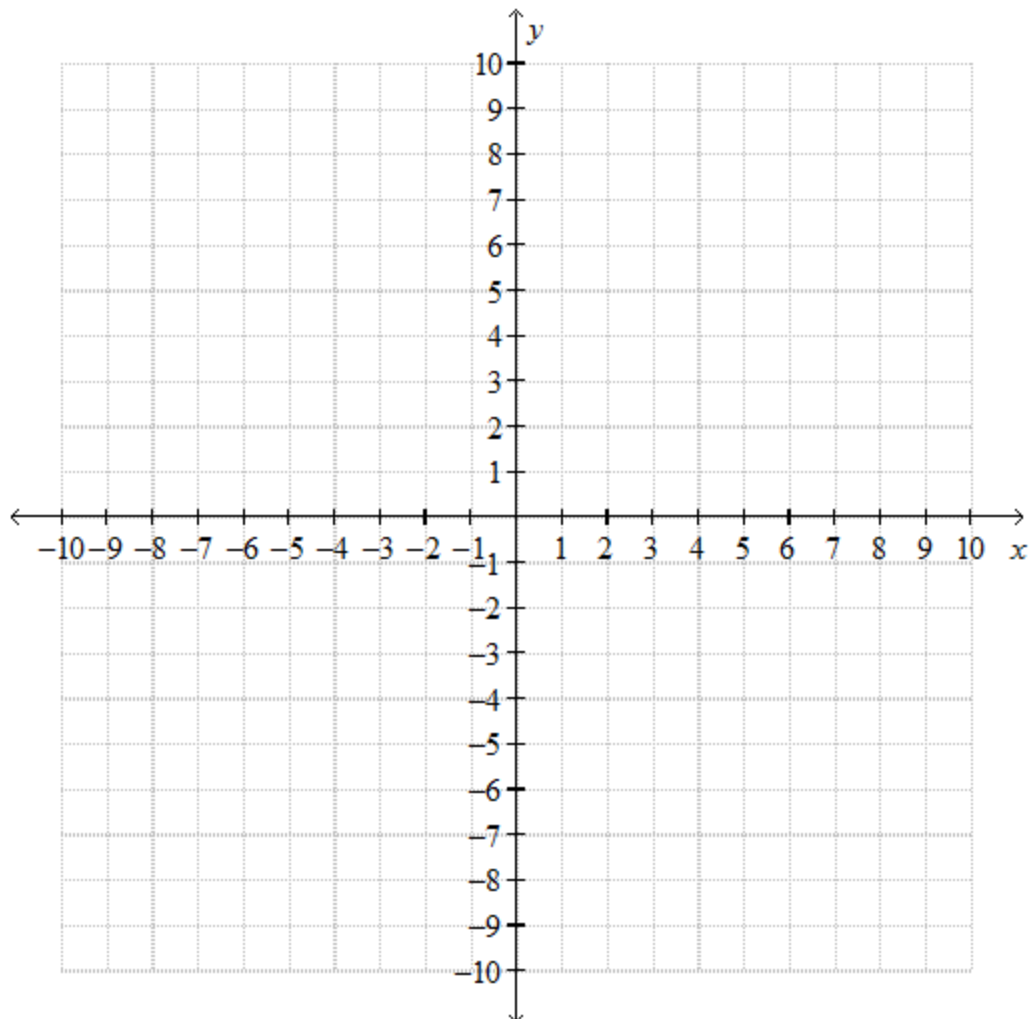

The Function: \_\_\_\_\_

	The Base Equation	A Transformed Equation
Does this graph have a highest point? If so, what is it?		
Does this graph have a lowest point? If so, what is it?		
Does this graph have a furthest point to the left? If so, what is it?		
Does this graph have a furthest point to the right? If so, what is it?		
Describe the shape of this graph
